

uAchieve Degree Audit Upgrade ^[1]

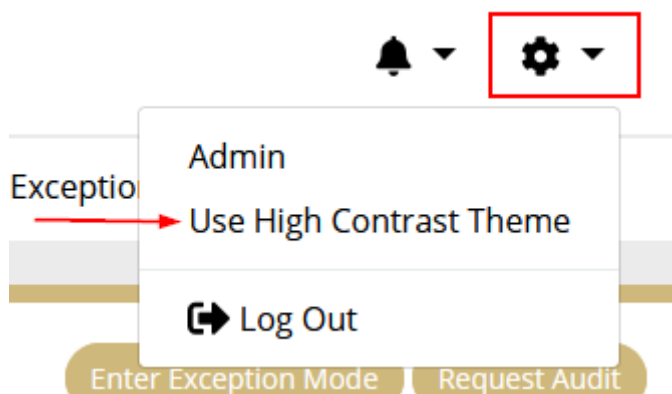

On Nov. 15, uAchieve will upgrade to version 5.2.1, which primarily provides accessibility enhancements and other improvements.

The uAchieve degree audit upgrade includes minor visual and navigational changes, as outlined below.

Click a topic to explore specific changes.

High Contrast Theme

The option to use a high contrast theme is now located under the **Settings** icon.

Auto Resizing

The updated version of Degree Audit uses responsive design in its user interface, which automatically resizes to be mobile-friendly and compatible with various desktop platforms.

New Audit Format in Advanced Settings

When requesting an audit, under **Advanced Settings**, HTML is the default setting.
You must uncheck HTML to run the Graduation or Mobile Friendly format options.

Open Multiple Audits of the Same Student

Clicking **View Audit** opens the audit in the current tab. If you want to look at more than one audit simultaneously, you need either to select **Ctrl +** click the **View Audit** link or just right click **View Audit** and select **Open link in a new tab**. Both options will open the audit in a new tab.

Completed Audit List

Then, the advisor can compare audits by comparing the different tabs.

Audit options

The same options still exist but the locations are slightly new. The location of the **Printer Friendly** option in uAchieve has moved to the upper left area of the degree audit report screen, appearing as a printer icon. Course History and Markers are now black buttons on the far right.
