

Treasury SAFE Access ^[1]

The System Treasury Office is here to actively steward and manage the financial resources of the University of Colorado on behalf of the CU Board of Regents, by providing comprehensive treasury services in support of the faculty, staff, and students of the university. The SAFE database is used to manage Treasury office initiatives. This service is managed by the Office of the University Treasurer ^[2] at the System Administration campus.

Who is this for?

System Administration Treasury Office Only

Who do I ask for help?

For questions regarding access to SAFE, please reach out to the UIS Identity and Access Management ^[3] team.

How do I request access?

To request access, please email the UIS Identity and Access Management ^[3] team.
