UNEMPLOYMENT [1]

ABOUT THIS VISUALIZATION: This data visualization summarizes U.S. unemployment rates by educational attainment provided by the Bureau of Labor Statistics (BLS). The Unemployment Rate is the number of unemployed individuals divided by the sum of employed and unemployed. This data visualization was created by the CU System Institutional Research. Additional details are provided within the visualization.

Should you have questions or comments on this data, please contact IR@cu.edu [5].

Notes: Data from Bureau of Labor Statistics (BLS). U.S. Unemployment Rate is the number of unemployed divided by the sum of employed and unemployed.
