Supported Browsers [1]

Application vendors provide a listing of web browsers that are tested and work seamlessly with these applications and services. UIS also performs browser compatibility testing on selected applications and services. The Supported Browsers page documents browsers from both sources.

Check your browser version by visiting What's my browser? [2]

If you need further assistance, please contact the UIS Service Desk at 303-860-HELP(4357) or via email at help@cu.edu. [3]
