About the workshop

This workshop is for those looking to learn about the basics of the PERA retirement system and how a defined contribution plan works.

You will learn:

- How your PERA lifetime benefit is calculated
- About survivor and disability benefits
- How the PERA 401(k) and 457 work
- How PERACare Works

Seating is limited to 60 per session.

Reserve your spot for the morning session: PERA Morning Session

Reserve your spot for the afternoon session: PERA Afternoon Session
