Footnotes:

- * This cost of attendance estimate is reflective of the allowable costs set by CCHE and may differ from actual campus estimates and/or actual out of pocket costs for the student.
- a: Resident undergraduate tuition rates represent the student share of tuition after the College Opportunity Fund stipend is applied for eligible authorizing students.
- b: Fees presented do not include instructional program or course fees.
- c: Room and board for CU-Boulder and UCCS undergraduates is the actual rate for a double on campus. For all others, room and board is the CCHE approved annual allowance. Previously published reports of FY 2014-15 cost of attendance used a different room and board estimate for CU Denver undergraduates; in this report, the CCHE allowance is shown for both FY 2014-15 and FY 2015-16.
- d: "Other" is a CCHE approved annual allowance for books and supplies, medical, transportation and personal expenses.
- e: For several programs at the Anschutz Medical Campus, students take more than 30 credit hours in an academic year; for consistency purposes cost of attendance is calculated on 30 credit hours.
- f: Graduate Pharmacy tuition rate is capped at 9 credit hours a term or 18 credit hours per academic year.

Footnotes:

* This cost of attendance estimate is reflective of the allowable costs set by CCHE and may differ from actual campus estimates and/or actual out of pocket costs for the student.

a: Resident undergraduate tuition rates represent the student share of tuition after the College Opportunity Fund stipend is applied for eligible authorizing students.

b: Fees presented do not include instructional program or course fees.

c: Room and board for CU-Boulder and UCCS undergraduates is the actual rate for a double on campus. For all others, room and board is the CCHE approved annual allowance. Previously published reports of FY 2014-15 cost of attendance used a different room and board estimate for CU Denver undergraduates; in this report, the CCHE allowance is shown for both FY 2014-15 and FY 2015-16.

d: "Other" is a CCHE approved annual allowance for books and supplies, medical, transportation and personal expenses.

e: For several programs at the Anschutz Medical Campus, part-time students may take more than 12 credit hours in an academic year; for consistency purposes cost of attendance is calculated on 12 credit hours.

f: Graduate Pharmacy tuition rate is capped at 9 credit hours a term or 18 credit hours per academic year.

Footnotes:

* This cost of attendance estimate is reflective of the allowable costs set by CCHE and may differ from actual campus estimates and/or actual out of pocket costs for the student.

a: Fees presented do not include instructional program or course fees.

b: Room and board for CU-Boulder and UCCS undergraduates is the actual rate for a double on campus. For all others, room and board is the CCHE approved annual allowance. Previously published reports of FY 2014-15 cost of attendance used a different room and board estimate for CU Denver undergraduates; in this report, the CCHE allowance is shown for both FY 2014-15 and FY 2015-16.

c: "Other" is a CCHE approved annual allowance for books and supplies, medical, transportation and personal expenses.

d: For several programs at the Anschutz Medical Campus, students take more than 30 credit hours in an academic year; for consistency purposes cost of attendance is calculated on 30 credit hours.

e: Graduate Pharmacy tuition rate is capped at 9 credit hours a term or 18 credit hours per academic year.
