SkillSoft User Guide

Log into your CU campus portal page:

- Click the CU Resources tab/page.
- Click TRAINING under NAVIGATION menu at the left of page to access the drop down menu.
- Click the Start SkillSoft link

SkillSoft Welcome & Navigation Page:

The Welcome page will display. To the left, find navigation buttons for My Plan, Catalog and My Progress.

- **My Plan** contains the courses and learning assets that you and/or your manager have assigned to you for completion.
- **Catalog**: Browse the SkillSoft catalog to see what topics and resources are available. The catalog is organized by subject matter.
- **My Progress**: Use this navigation button to access information about all courses you have started or completed in SkillSoft.

Catalog Access for University of Colorado Courses and Instructor Led Training:

The Catalog offers a folder structure, and allows direct access to [Launch] courses and/or view their descriptions under [Show Details].

- To access all CU Custom Courses: click University of Colorado – Courses, then click the folder topic you want (ex. Budget and Finance, Environmental Health and Safety, HIPAA, ISIS, etc).
- To access CU Instructor Led Training courses, Click on the Instructor Led Training folder, and access the campus folder and topic you want. (See ILT User Guide for more detailed information).
- Directly access a course title to begin the course by clicking the [Launch] link. A separate window launches with the course modules and quiz.
My Progress - Check your progress and print a Certificate of Completion:

My Progress displays all learning activity by using the drop-down for Date Range and choosing “All”.

- In Progress tab – displays all courses begun but not completed.
- Completed tab – displays all completed courses and current scores.
- Click icon to print a detailed report or the Print Report link at the top right.
- Click icon to print a Certificate of Completion.

Please note: You must have Java enabled on your browser to launch the SkillSoft courses, videos and simulations. If you are completing a CU custom course located under the catalog, University of Colorado - Courses folder, you do not need to have Java enabled.

Explore SkillSoft Curriculum for your Professional Development:

All University of Colorado employees have free direct access to the full catalogue of over 8,000 SkillSoft courses, job aids, certifications, and test preparations.

- Use SkillSoft curricula to create your annual professional development plan with your supervisor.
- Explore new professional topics of interest to grow your knowledge and career at CU.
- Explore professional certification courses and test preparations available in SkillSoft.
- Explore IT professional curricula and certifications available from Microsoft, Linux, IBM, ISEB, Oracle, etc.
