From the south:

Take US36 west to Boulder

US36 becomes 28th Street

Turn right on Colorado Avenue (first traffic signal in Boulder) and get in left lane

Turn left on 30th Street (first traffic signal) and get in right lane

Turn right at the 4th street (You'll drive by family housing, go over Boulder Creek and take the first right after passing the Creek.) See row B at columns 3 & 4 on the attached map.

Proceed forward to the stop sign. For metered parking, continue forward and it's on the right, or turn left at the stop sign to the next stop sign and you'll see metered parking in front of the building. For reciprocal parking, turn right at the stop sign and proceed to Lot 560, the last row in the lot.

Let me know if you need a one-day, temporary parking permit (if you do not have a current parking permit from your home campus) and I'll see if I can get one for you.
