# APS 5062-LEAVE

## Section 1: Vacation Leave

**Applies to:** *University staff* and faculty on 12-month appointments.

### SECTION 1 – VACATION LEAVE

#### I. INTRODUCTION

The intention of this policy is to define vacation leave benefits listed in [Regent Policy 11.E: Leave Policies for Faculty and Staff](#) for each employment classification.

#### II. POLICY STATEMENT

##### A. *University Staff* and 12-Month Faculty

1. **Usage.** Upon approval by the supervisor, vacation may be taken after the close of the pay period in which the leave is earned.

The appointing authority may establish periods of time when vacation leave will not be allowed, or must be taken, based on business necessity for the specific department or division. These periods cannot create a situation where the employee does not have a reasonable opportunity to use requested leave.

2. **Accrual.** Per regent policy 11.E, eligible full-time staff and faculty on twelve-month appointments are eligible to receive twenty-two (22) working days (176 hours) of paid vacation annually, earned as 14.67 hours per month. An eligible employee who works part time (less than 100% appointment) accrues vacation on a pro-rated basis. Accrual may not exceed forty-four (44) days (352 hours) on July 1 of every year.
3. **Transfer between Leave Eligible Appointments and Non-Leave Eligible Appointments.**
  - a. Employees in a leave eligible appointment (e.g., *university staff* and 12-month faculty) who transfer or return to a non-leave eligible appointment (e.g., nine-month faculty) shall be paid for earned unused vacation leave in accordance with this policy upon termination of the employee's leave eligible appointment so long as the employee meets the other criteria described in this policy.
  - b. An employee in a non-leave eligible appointment (e.g., nine-month faculty) transferring into a leave eligible appointment (e.g., 12-month faculty or *university staff*) will start accruing per this policy upon the effective date of the leave eligible appointment.
4. **Holidays.** When a holiday occurs during a vacation, the holiday is not considered a day of vacation time.
5. **Leave Without Pay.** There is no vacation accrual during periods of leave without pay or on short work breaks, except for military leave without pay and furloughs.
6. **Compensation.** If an employee has multiple appointments, the compensation rate for the payout upon retirement or termination may be the average of the hourly rates on all active, leave eligible appointments, unless the leave balances were tracked and maintained separately for each appointment.

##### B. Classified Staff

1. Vacation leave benefits for classified staff are governed by the State of Colorado Personnel Board Rules.

# APS 5062-LEAVE

## Section 2: Sick Leave

**Applies to:** All employees

### SECTION 2 – SICK LEAVE

#### II. POLICY STATEMENT

##### A. Usage for all employment classifications

1. **Usage.** Sick leave is earned when eligible employment begins. If the employee has sick leave available, it may be used in the following circumstances:
  - a. When the employee has a mental illness or a physical illness or injury (not covered by workers' compensation), or health condition; needs a medical diagnosis, care, or treatment related to such illness, injury, or condition; or needs to obtain preventive medical care.
  - b. When the employee needs to care for a family member who has a mental or physical illness, injury, or health condition; needs a medical diagnosis, care, or treatment related to such illness, injury, or condition; or needs to obtain preventive medical care.

  - d. When the employee or family member has been the victim of domestic abuse, sexual assault, or harassment and needs to be absent from work for purposes related to such crime.
  - e. When the employee needs to care for a family member whose school or place of care has been closed due to inclement weather, loss of power, loss of heating, loss of water, or other unexpected occurrence or event that results in the closure of the family member's school or place of care.
  - f. When the employee needs to evacuate the employee's place of residence due to inclement weather, loss of power, loss of heating, loss of water, or other unexpected occurrence or event that results in the need to evacuate the employee's residence.
  - g. When the employee needs to be absent from work due to a public official closing the employee's place of business or the school or place of care of the employee's child during a public health emergency.
  - h. When the employee is on Parental Leave under section 11 of this APS.
  - i. When the employee is on Family Medical Leave or Family and Medical Leave Insurance (FAMLI) leave.

3. **Rehire.** If an employee separates from employment and is rehired within six months after the separation, the employee shall be entitled to any paid sick leave that the employee accrued but did not use during the employee's previous employment with the university and that had not been converted to a monetary compensation to the employee at the time of separation from employment.
4. **Holidays.** When a holiday occurs during sick leave, the holiday is not considered sick leave.
5. **Leave without Pay.** There is no sick leave accrual during periods of leave without pay or when on short work break, except for military leave without pay and furloughs.
6. **Documentation.** Documentation may be required from an employee if four or more consecutive days of paid sick leave are taken.
7. **Disability.** If sick leave extends beyond six months, the employee may consider disability coverage, if eligible.

B. *Nine-Month Faculty*

1. **Accrual.** Per regent policy 11.E, eligible nine-month faculty on 100% appointment accrue eleven (11) days (88 hours) of paid sick leave annually. Faculty who are on a part-time (less than a 100%) appointment will accrue sick leave on a pro-rated basis. Accrual begins on the first day of eligible appointment. There is no limit on how much sick leave a nine-month faculty member may accrue.
2. **Usage.** Sick leave may be required to be used when the university must replace the eligible faculty member in the classroom, or when the dean or other administrative superior, after consultation with the department concerned, shall so decide. Although nine-month faculty members do not accrue sick leave during summer appointments, they may use accrued sick leave during summer appointments.
3. **Compensation.** No compensation for unused sick leave shall be paid upon separation from employment with the university.

C. *University Staff and 12-Month Faculty*

There is no limit on how much sick leave an employee may accrue.
2. **Compensation.**
  - a. An employee may be eligible for sick leave compensation based on meeting retirement eligibility, per [Regent Policy 11.F: Benefits](#).
  - b. Upon payout due to CU retirement eligibility, the employee's remaining sick leave balance will be removed, leaving the accrued sick balance at zero (0) hours.
  - c. If an employee has multiple appointments, the compensation rate for the payout upon retirement may be the average of the hourly rates on all active, leave eligible appointments, unless the leave balances were tracked and maintained separately for each appointment.
3. **Transfer between Appointments.**
  - a. Employees in *university staff* and 12-month faculty appointments who transfer or return to a nine-month faculty or other appointment that does not allow sick leave payouts are eligible to receive payment for earned, unused sick leave if eligible for early or full CU retirement at the time of transfer according to the maximums in [Regent Policy 11.E: Leave Policies for Faculty and Staff](#).

- b. If the employee transferring from a *university staff* or 12-month faculty appointment to another university appointment that does not allow sick leave payouts is not eligible for early or full CU retirement, the sick leave balance, beyond 48 hours of retained sick leave, is forfeited upon transfer to the other appointment.

D. All Other Faculty on Contracts (including applicable student faculty)

1. **Accrual.** Per regent policy 11.E, faculty on a 100% appointment in this category, are eligible to receive three (3) days (24 hours) of sick leave per semester but no more than nine (9) days (72 hours) annually. Accrual begins on the date the appointment begins. Faculty who are on less than a 100% appointment, will accrue sick leave on a pro-rated basis. Accrual may not exceed six (6) days (48 hours) on July 1 of every year. Up to six (6) days (48 hours) of accrued sick leave may carryover from year to year.

If an employee has a full-time or 100% appointment and a secondary appointment, no additional sick leave shall accrue under the secondary appointment. If an employee has a less than full-time or 100% appointment and a secondary appointment, sick leave may accrue under the secondary appointment, but the total sick leave accruals under both appointments is limited to the maximum annual accrual for the primary appointment. ## Section 3: Administrative Leave

### SECTION 3 – ADMINISTRATIVE LEAVE

#### I. INTRODUCTION

Short-term paid administrative leave is permitted for eligible employees. The president or chancellor may authorize paid administrative leave for employees during an approved campus closure or other emergency.

#### II. POLICY STATEMENT

##### A. Extended Paid Administrative Leave (applies to all *university staff* and faculty on 12-month appointments)

If a *university staff* or faculty member on a 12-month appointment is the subject of disciplinary action or an investigation, extended paid administrative leave may be authorized for such employee for a reasonable period of time. In such circumstances, a reasonable period of time will be determined based upon the length of time it takes to complete an investigation. Only the president or chancellors, or their designees, may authorize extended paid administrative leave for *university staff* and 12-month faculty for investigative purposes.

However, the president or chancellors, or their designees, reserve the right to place *university staff* or faculty on a 12-month appointment on extended leave without pay.

In the event of an approved campus closure or other emergency, the president or chancellor may authorize extended paid administrative leave sufficient to address the immediate crisis.

##### B. Short-Term Paid Administrative Leave (applies to all *university staff* and faculty on 12-month appointments)

Supervisors of eligible employees may authorize short-term paid administrative leave for the purposes described in this policy. A maximum of ten (10) days or eighty (80) hours of short-term administrative leave may be granted over a 12-month period.

Short-term paid administrative leave is not an entitlement or benefit. Authorization of short-term paid administrative leave for eligible employees rests within the sole discretion of their supervisors as exercised within the guidelines described in this policy.

##### 1. Purpose of Short-Term Paid Administrative Leave

Supervisors may authorize short-term paid administrative leave for eligible employees for reasons determined to be for the good of the university and the state. Supervisors shall consider prudent use of taxpayer dollars and the business needs of the university in determining whether such leave is for the good of the state. Such reasons include, but are not limited to, incentive rewards, coursework directly related to employment, and participation in school or community volunteer activities.

Short-term paid administrative leave may also be authorized for eligible employees whose workloads (e.g., specific long- or short-term projects) require them to work significantly beyond their normal work schedules (as established by their individual supervisors) for prolonged periods of time when such leave is found to be necessary to maintain employee performance or morale or in recognition of extraordinary work performance.

Use of short-term paid administrative leave is not required for eligible employees for the purpose of attending or participating in professional or academic seminars or conferences, participation in official activities of university employee organizations or other similar events, or supervisor required training. These activities are considered to be work time for which leave is not required.

2. Authorization of Short-Term Paid Administrative Leave

Ordinarily, eligible employees must have their supervisor's authorization prior to taking short-term paid administrative leave. In exceptional circumstances, short-term paid administrative leave may be authorized retroactively.

C. Required Paid Administrative Leave (applies to all non-temporary employees)

Per State of Colorado Executive Order D 2022 036, CU is required to grant five (5) days of additional administrative leave (8 hours each day, pro-rated for part time) per fiscal year, in support of non-temporary employees responding to a fire as a volunteer firefighter or volunteer first responder. This time may not be used to train for voluntary firefighter or first responder duties.

D. Reporting Requirements

All use of paid administrative leave for eligible employees, except in situations of campus closures, must be reported by use of the university's time collection procedures. The president shall review the use of short-term paid administrative leave on an annual basis.

III. INTERPRETATION

The Office of the Chief Human Resources Officer and Associate Vice President of Employee Services shall interpret this policy.

## APS 5062-LEAVE

### Section 4: Bereavement Leave

**Applies to:** *University staff* and faculty on 12-month appointments.

#### SECTION 4 – BEREAVEMENT LEAVE

##### I. POLICY STATEMENT

*University staff* and faculty on 12-month appointments may receive up to five working days of paid leave for each death to arrange for and attend the funeral and other affairs of a member of the employee's immediate family when they would otherwise have to work.

Bereavement leave is not intended to be used for end-of-life care.

For purposes of bereavement leave, immediate family members include spouse, children, parents, grandparents, grandchildren, brothers, sisters, mothers-in-law, fathers-in-law, sisters-in-law, brothers-in-law, sons-in-law, and daughters-in-law, and any other person who is a member of the employee's established household. A supervisor may allow an employee to receive up to five paid working days of bereavement leave for an equally significant other person not included in this definition.

While all employees may utilize sick leave for bereavement purposes, per section 2 of this policy, university staff and faculty on 12-month appointments can exhaust bereavement leave allocation prior to utilizing sick leave.

Supervisors have the discretion to ask for documentation when leave abuse is suspected. Please work with Human Resources.

### Section 6: Furloughs

---

**Applies to:** All university employees.

#### SECTION 6 – FURLOUGHS

##### I. POLICY STATEMENT

Furloughs are unpaid leaves that may be voluntarily requested or mandated by the president or a chancellor when budgetary circumstances require a specific reduction in personnel costs. ## APS 5062-LEAVE

### Section 7: Leave for Job-Related Illnesses and Injuries

**Applies to:** *University staff* and faculty on 12-month appointments.

#### SECTION 7 – LEAVE FOR JOB-RELATED ILLNESSES AND INJURIES

##### I. POLICY STATEMENT

*University staff* and faculty on 12-month appointments who suffer an injury or illness in the line of duty covered by workers' compensation are granted up to ninety (90) work days of paid injury leave. These benefits replace the more limited coverage of workers' compensation insurance which is waived by the employee during the ninety (90) days of injury leave.

If an employee is unable to return to work after that time, the employee is eligible to take accrued vacation and sick leave in addition to workers' compensation. Workers' compensation leave runs concurrently with FMLA.

## APS 5062-LEAVE

### Section 8: Leave Sharing

**Applies to:** *University staff*, faculty on 12-month appointments and classified staff.

#### SECTION 8 – LEAVE SHARING

##### I. INTRODUCTION

This administrative policy statement (APS) affirms the availability of leave sharing for all *university staff*, faculty on 12-month appointments and classified staff, and provides guidance regarding minimum procedural standards in its application, as may be further developed in campus and system policy.

##### II. POLICY STATEMENT

A. The president and chancellors may establish leave sharing programs for their organizations for the purpose of allowing donated vacation leave to be used by their *university staff*, faculty on 12-month appointments and classified staff. For classified employees, such leave sharing programs may be further developed in accordance with applicable State Personnel Board Rules, subject to the following:

###### 1. Donations

- a. Only donations of accrued vacation leave are permitted; sick leave cannot be donated. Vacation leave donations must be documented in writing and approved by the donating employee's department to assure sufficient accrued leave exists to support the amount of leave donated.
- b. Donations may include vacation leave that would otherwise be in excess of accrual limits permitted beyond June 30 of each year.
- c. Depending on the campus leave sharing program, donations may be made generally to a "leave sharing program" or to a specific person.

2. Procedures
  - a. Campuses must implement written procedures that provide information to employees regarding leave sharing eligibility criteria, how eligibility and leave amount determinations are made, and how employees may donate or make a request for leave sharing. Such written procedures shall include sample forms for employees to use when donating vacation leave and requesting leave sharing hours.
3. Leave Sharing Discretionary
  - a. The granting of leave sharing hours is discretionary, is not an employee's entitlement and cannot be grieved or appealed. Additionally, donated vacation leave is not subject to payout upon termination of employment. All requests should be treated in a highly confidential manner.

### Section 9: Leave Without Pay

**Applies to:** All University employees.

#### SECTION 9 – LEAVE WITHOUT PAY

##### I. POLICY STATEMENT

University employees may be granted leave without pay for valid reasons for a period of up to 12 months. Such leaves must be approved by the employee's supervisor and the hiring authority. Leave without pay, except for military leave without pay and furloughs, will not be granted until all vacation leave (if eligible) is exhausted, unless otherwise requested by the employee and approved by the supervisor.

Extensions beyond the initial 12-month period must be approved by the applicable hiring authority in consultation with a human resources office. During periods of leave without pay or short work break, except for military leave and furloughs, the employee does not accrue vacation and sick leave.

## APS 5062-LEAVE

### Section 10: Military Leave

**Applies to:** *University staff* and faculty on 12-month appointments.

#### SECTION 10 – MILITARY LEAVE

##### I. POLICY STATEMENT

Use of military leave shall be consistent with state and federal laws. Upon presentation of proper military orders, *university staff* or faculty on a 12-month appointment who is a reservist or member of the National Guard is granted up to 15

calendar days of leave with pay to attend training and/or active-duty service ordered. This leave is not charged to vacation leave.

If military service continues beyond 15 calendar days, the employee will be placed on military leave without pay for any remaining period of required military service. An employee on military leave continues to accrue vacation and sick leave.

An appointing authority may authorize pay equal to the difference between the employee's university monthly pay and the sum of the monthly military pay and allowances for an employee called to active military duty. Such differential pay shall not exceed 90 calendar days and applies after exhaustion of the 15-day paid military leave. The employee must furnish a copy of the call-to-duty order and proof of military pay and allowances. This differential pay does not apply to regular military obligations such as the annual encampment and training.

*University staff* or faculty on a 12-month appointment who voluntarily enters military service is granted military leave without pay until the end of the initial period of service, plus any period of additional service imposed by law. If the employee fails to return to the university after this period or voluntarily extends military service beyond the initial period, the employee is considered to have resigned.

## APS 5062-LEAVE

### Section 11: Parental Leave

**Applies to:** Nine-month faculty, *university staff*, faculty on 12-month appointments, and classified staff.

#### SECTION 11 – PARENTAL LEAVE

##### I. INTRODUCTION

The intention of this policy is to set forth the leave that a *parent* may take and define parental leave benefits for each employment classification.

##### II. POLICY STATEMENT

###### A. Parental Leave Benefits by Employment Classification

The provisions of this University Parental Leave Policy are intended to be interpreted in conjunction with the Family Medical Leave Act (*FMLA*). Parental Leave and *FMLA* leave shall run concurrently. Thus, parental leave counts as part of, and is not in addition to, the 12 weeks of leave guaranteed by the *FMLA*.

###### 1. Nine-Month Faculty

###### a. Tenured and Tenure-Track Faculty

Faculty on nine-month appointments do not accrue vacation leave. Accordingly, tenured and tenure-track nine-month faculty are entitled to 18 weeks of parental leave to provide care for the faculty member's *child* within 12 months of the birth, adoption, foster care placement or guardianship of a *child*, during which period the faculty member may use accrued sick leave.

If the faculty member exhausts all accrued sick leave before the end of the 18-week period, then the faculty member may continue the leave for the remainder of the period at half pay with full benefits.

###### b. Other Nine-Month Faculty

Other Nine-Month Faculty on nine-month appointments shall receive the same benefit listed in section II.A.1.a on the same terms as tenured and tenure-track faculty on nine-month appointments.

## 2. University Staff

*University staff* are entitled to six consecutive months of unpaid parental leave if the eligibility in section II.B.2.b is met, (which runs concurrently with *FMLA* leave) during which time they may receive pay by using any combination and adhering to the rules of the following leave and campus *FMLA* leave programs:

- University paid parental leave benefit (see section II.B.2),
- Accrued sick leave,
- Accrued vacation leave,
- Short-term disability for birth *parent* only (optional plan, paid for by employee).

During parental leave, *university staff* are also required to adhere to any leave without pay policies.

All parental leave is granted to care for the *university staff* member's *child* within 12 months of the birth, adoption, foster care placement or guardianship of a *child*. The *university staff* member shall inform the appropriate supervisor as early as possible of the intent to use parental leave.

## 3. Twelve-Month Faculty (including Research Faculty)

Twelve-month faculty shall be entitled to the same amount of parental leave as *university staff*.

## 4. Classified Staff

Classified staff are entitled to six consecutive months of unpaid parental leave if the eligibility in section II.B.2.b is met, (which runs concurrently with *FMLA* leave) during which time they may receive pay by using any combination and adhering to the rules of the following leave and campus *FMLA* programs:

- University paid parental leave benefit (see section II.B.2),
- Accrued sick leave,
- Accrued vacation leave,
- Short-term disability for birth *parent* only (mandatory plan, paid for by the university).

All parental leave is granted to care for the classified staff member's *child* within 12 months of the birth, adoption, foster care placement or guardianship of a *child*. The classified staff member shall inform the appropriate supervisor as early as possible of the intent to use parental leave.

## B. Parental Leave Components

### 1. Family Medical Leave Act (*FMLA*) for Parental Leave

The *FMLA* is a federal law that guarantees certain workers 12 weeks per year of unpaid leave to attend to certain family and medical needs, including a *child's* birth, adoption, foster care placement or guardianship of a *child*.

The campus and system human resources offices shall inform all employees who are covered by the *FMLA* of their *FMLA* rights regarding leave for pregnancy or for the birth, adoption, foster care placement or guardianship of a *child*, and shall administer *FMLA* leave in accordance with federal law.

### 2. University Paid Parental Leave Benefit Program

- a. The university grants 160 hours (4 weeks) of paid parental leave, prorated for percent of time if appointment is less than 100%, to eligible employees (see section II.B.2.b) and can be taken and completed within one year of the birth, adoption, foster care placement or guardianship of a *child*.
  - i. There is no cash value for paid parental leave upon termination from the university and leave cannot be rolled forward for future use.
  - ii. University paid parental leave is to be taken consecutively unless a campus policy allows otherwise.

- iii. University paid parental leave is calculated on the employee's base salary only and is subject to taxes and withholdings.
- iv. The university paid parental leave program is effective for eligible employees of children born, adopted, placed in foster care or guardianship on or after July 1, 2018, unless a campus policy allows otherwise.
- v. Eligible employees are only entitled to one paid parental leave period per year from the date the first paid parental leave begins.
- vi. University paid parental leave is not in addition to the State of Colorado Paid Family Medical Leave (PFML) program for classified staff.

b. Eligibility for University Paid Parental Leave Program

- i. A regular 12-month faculty member, *university staff* or classified staff member is eligible for paid parental leave if the employee has worked for 12 consecutive months in a 50% or greater regular appointment at the university immediately prior to the date of birth, adoption, foster care placement or guardianship of a *child*.
- ii. A regular 12-month faculty member, *university staff* or classified staff member must have a regular appointment of 50% or greater on the date of birth, adoption, foster care placement or guardianship of a *child* to be eligible for paid parental leave.

3. Alternative Leave for Birth, Adoption, Foster Care Placement or Guardianship of a *Child*

Any faculty or staff member who does not wish to take the standard leave described in section II.A may negotiate an alternative leave arrangement with their supervisor or primary unit chair. For example: using the six-month unpaid parental leave intermittently, alternative work schedules, differentiated workloads, banked courses, etc.

The decision whether to grant such a negotiated leave arrangement shall be dictated by the needs of the unit, in the discretion of the supervisor or unit chair and in consultation with the human resources office to ensure that the decision is consistent with the *FMLA*. Negotiated leave arrangements must be in writing, and, in the case of a staff member, signed by the staff member and supervisor; or, in the case of a faculty member, by the faculty member, chair, and dean.

4. Right to Request Other Unpaid Parental Leave

For purposes of caring for their minor *child(ren)* of any age, faculty members and *university staff* may request parental leave without pay, or reduced loads at reduced pay, up to a total of 32 weeks for nine-month faculty or 12 months for *university staff* and 12-month faculty. This maximum of 32 weeks or 12 months of parental leave includes, and is not in addition to, any leave taken under section II.A of this policy or leave taken under the *FMLA*. The supervisor has discretion whether to grant such requests for parental leave or schedule modifications beyond those guaranteed by section II.A or by the *FMLA*.

C. Tenure Probationary Period for Tenure-Track Faculty

Consistent with [Regent Policy 5.D.1: Tenure Probationary Period](#) and [APS 1022 - Standards, Processes and Procedures for Reappointment, Tenure, Promotion, and Post-Tenure Review](#), Section III.A, leave taken pursuant to this policy, including a negotiated alternative leave, does not count as part of the tenure probationary period. Parental leave results in a "stop" on the tenure clock; such "stops" must be taken in one-year increments. However, a faculty member may irrevocably elect, no later than six months following their return to full-time service, to have the leave time count as part of the tenure probationary period. Such an election shall be made in writing and must be approved by the dean and the chancellor.

A faculty member who has experienced the birth, adoption, foster care placement, or guardianship of a *child*, but who does not take parental leave, may also irrevocably elect to stop the tenure clock for one year, provided the election is made in writing within six months of the *child's* birth, adoption, foster care placement, or guardianship of a *child*.

Absent extraordinary circumstances, a maximum of two "stops" on the tenure clock for parental leave is allowed under this policy.

#### D. Simultaneous Leave

If both *parents* are employed by the University of Colorado and both are eligible for any parental leave benefit described under this policy, paid and unpaid leaves under this policy may be taken simultaneously or may be staggered within 12 months of a *child's* birth, adoption, foster care placement or guardianship of a *child*.

#### E. Campus Parental Leave Policies

1. A campus may adopt a campus specific policy provided that the approved policy is referenced in section IV of this APS and the Office of University Counsel reviews any alternate policy.
  - a. A campus may provide additional parental leave benefits to its employees or to a group of its employees that are more generous than those provided by section II.A.1, section II.A.2, or section II.A.4 of this APS.
  - b. A campus may alter the benefit for all 12-month faculty or to specified categories of 12-month faculty as provided in section II.A.3.

### Section 13: Leave for Faculty Serving in Elected Office

**Applies to:** Faculty members on all campuses.

#### II. POLICY STATEMENT

- B. If a tenured faculty member is elected to a paid position that requires a full-time time commitment, a leave without pay shall be requested by the faculty member and shall be granted by the university.
