SECTION 3 – ADMINISTRATIVE LEAVE

I. INTRODUCTION

Short-term paid administrative leave is permitted for eligible employees. The president or chancellor may authorize paid administrative leave for employees during an approved campus closure or other emergency. Classified staff administrative leave is governed by the State Personnel Board rules.

II. POLICY STATEMENT

A. Extended Paid Administrative Leave (applies to all university staff and faculty on 12-month appointments)

If a university staff or faculty member on a 12-month appointment is the subject of disciplinary action or an investigation, extended paid administrative leave may be authorized for such employee for a reasonable period of time. In such circumstances, a reasonable period of time will be determined based upon the length of time it takes to complete an investigation. Only the president or chancellors, or their designees, may authorize extended paid administrative leave for university staff and 12-month faculty for investigative purposes.

However, the president or chancellors, or their designees, reserve the right to place university staff or faculty on a 12-month appointment on extended leave without pay.

In the event of an approved campus closure or other emergency, the president or chancellor may authorize extended paid administrative leave sufficient to address the immediate crisis.

B. Short-Term Paid Administrative Leave (applies to all university staff and faculty on 12-month appointments)

Supervisors of eligible employees may authorize short-term paid administrative leave for the purposes described in this policy. A maximum of ten (10) days or eighty (80) hours of short-term administrative leave may be granted over a 12-month period.

Short-term paid administrative leave is not an entitlement or benefit. Authorization of short-term paid administrative leave for eligible employees rests within the sole discretion of their supervisors as exercised within the guidelines described in this policy.

1. Supervisor granted Purpose of Short-Term Paid Administrative Leave

Supervisors may authorize short-term paid administrative leave for eligible employees for reasons determined to be for the good of the university and the state. Supervisors shall consider prudent use of taxpayer dollars and the business needs of the university in determining whether such leave is for the good of the state. Such reasons include, but are not limited to, incentive rewards, coursework directly related to employment, and participation in school or community volunteer activities.

Short-term paid administrative leave may also be authorized for eligible employees whose workloads (e.g., specific long- or short-term projects) require them to work significantly beyond their normal work schedules (as established by their individual supervisors) for prolonged periods of time when such leave is found to be necessary to maintain employee performance or morale or in recognition of extraordinary work performance.

Use of short-term paid administrative leave is not required for eligible employees for the purpose of attending or participating in professional or academic seminars or conferences, participation in official activities of university
employee organizations or other similar events, or supervisor required training. These activities are considered to be work time for which leave is not required.

**Supervisors of eligible employees may authorize short-term paid administrative leave for the purposes described in this policy. A maximum of ten (10) days or eighty (80) hours of short-term administrative leave may be granted over a 12-month period per fiscal year.**

2. **Authorization of Short-Term Paid Administrative Leave**

Ordinarily, eligible employees must have their supervisor's authorization prior to taking short-term paid administrative leave. In exceptional circumstances, short-term paid administrative leave may be authorized retroactively.

2. **Chancellor, President and/or Governor's Short-Term Paid Administrative Leave**

The campus chancellor, CU president or Colorado Governor may grant administrative leave for campus closures or additional holidays. Each closure decision will articulate if the campus is fully closed or limited to administrative offices only to allow for academic, clinical, and research activity to continue.

If an employee is required to work on a designated administrative leave day, the employee may utilize the administrative leave hours at another time that is agreed upon between the employee and supervisor.

3. **Inclement Weather Short-Term Paid Administrative Leave**

The chancellor and presidents, or their designees, may issue a campus closure due to inclement weather. Each campus follows a distinct inclement weather process and communication is campus specific.

If an employee is required to work on a designated inclement weather administrative leave day, the employee may not utilize the administrative leave hours at another time as this leave is granted for safety purposes.

**C. Volunteer Firefighter and First Responder Required Paid Administrative Leave (applies to all non-temporary employees)**

Per State of Colorado Executive Order D 2022 036, CU is required to grant five (5) days of additional administrative leave (8 hours each day, pro-rated for part time) per fiscal year, in support of non-temporary employees responding to a fire as a volunteer firefighter or volunteer first responder. This time may not be used to train for voluntary firefighter or first responder duties.

**D. Reporting Requirements**

All use of paid administrative leave for eligible employees, except in situations of campus closures, must be reported by use of the university's time collection procedures. The president shall review the use of short-term paid administrative leave on an annual basis.

**III. INTERPRETATION**

The Office of the Chief Human Resources Officer and Associate Vice President of Employee Services shall interpret this policy.
APS 5062-LEAVE

Section 10: Military Leave

Applies to: University staff and faculty on 12-month appointments.

SECTION 10 – MILITARY LEAVE

I. POLICY STATEMENT

Use of military leave shall be consistent with state and federal laws. Upon presentation of proper military orders, university staff or faculty on a 12-month appointment who is a reservist or member of the National Guard is granted up to the equivalent of three weeks of a regular work schedule 15 calendar days of paid leave per fiscal year with pay to attend training and/or active-duty service ordered. This leave is not charged to vacation leave.

If military service continues beyond the equivalent of three weeks of a regular work schedule 15 calendar days, the employee may utilize and exhaust their vacation leave. Once the employee exhausts vacation leave or chooses not to utilize vacation time, the employee will be placed on military leave without pay for any remaining period of required military service. An employee on military leave continues to accrue vacation and sick leave.

An appointing authority may authorize pay equal to the difference between the employee’s university monthly pay and the sum of the monthly military pay and allowances for an employee called to active military duty. Such differential pay shall not exceed 90 calendar days and applies after exhaustion of the equivalent of three weeks of a regular work schedule 15-day paid military leave. The employee must furnish a copy of the call-to-duty order and proof of military pay and allowances. This differential pay does not apply to regular military obligations such as the annual encampment and training.

University staff or faculty on a 12-month appointment who voluntarily enters military service is granted military leave without pay until the end of the initial period of service, plus any period of additional service imposed by law. If the employee fails to return to the university after this period or voluntarily extends military service beyond the initial period, the employee is considered to have resigned.
Applies to: All employees.

SECTION 11 – PARENTAL LEAVE

I. INTRODUCTION

The intention of this policy is to set forth the leave that a parent may take and define parental leave benefits for each employment classification.

II. POLICY STATEMENT

A. Parental Leave Benefits by Employment Classification

The provisions of this University Parental Leave Policy are intended to be interpreted in conjunction with the Federal Family Medical Leave Act (FMLA) and State of Colorado Family and Medical Leave Insurance Act (FAMLI). Parental Leave, FAMLI leave, and FMLA leave shall run concurrently. Thus, parental leave counts as part of, and is not in addition to, the 12 weeks of leave guaranteed by the FMLA and FAMLI.

All parental leave is granted to care for the employee’s child within 12 months of the birth, adoption, foster care placement, or guardianship of a child. The employee shall inform the appropriate supervisor as early as possible of the intent to request parental leave.

During unpaid parental leave, employees are required to adhere to any leave without pay policies.

If an employee is in a paid status, they will receive holiday pay in lieu of other compensation types. During consecutive leave periods, the holiday hours are included in the time off calculation and do not extend the leave period.

At no time will compensation equal more than an employee’s full salary, regardless of funding source. All leave program hour entitlements will be prorated based on the appointment percent of time.

For compliance and consistency, employees shall submit a leave application to Employee Services to utilize FAMLI, FMLA, and Parental Leave.

B. Parental Leave Components

1. University Paid Parental Leave (PPL) Benefit Program
   a. The university grants 100% compensation for the first 6 weeks (240 hours) of parental leave to eligible employees (see section II.B.1.b). Paid parental leave will supplement FAMLI and PFML wages, not to exceed 100% of pay, and cannot be utilized without FAMLI unless FAMLI has been exhausted in the current year or for out-of-state employees.
   i. Parental leave must be taken and completed within one year of the birth, adoption, foster care placement, or guardianship of a child. A department may require blocks of time (i.e. full shifts, days or weeks) for bonding and request the employee make a reasonable effort to schedule leave as not to unduly disrupt operations.
   ii. There is no cash value for paid parental leave upon termination from the university and leave cannot be rolled forward for future use.
   iii. University paid parental leave is calculated on the employee’s base salary only and is subject to taxes and withholdings.
   iv. Eligible employees are only entitled to one paid parental leave period per year from the date the first paid parental leave begins.
   v. University paid parental leave is not in addition to the State of Colorado Paid Family Medical Leave (PFML) program for classified staff.

b. Eligibility for University Paid Parental Leave Program
   i. A regular, non-temporary 12-month faculty member, university staff, or classified staff member must have a regular appointment of 50% or greater on the date of birth, adoption, foster care placement, or guardianship of a child to be eligible for paid parental leave.

2. Family and Medical Leave Insurance (FAMLI)

FAMLI is a state law that guarantees Colorado workers 12 weeks per year of partial wage replacement and leave to attend to certain family and medical needs, including a child’s birth, adoption, foster care placement, or guardianship of a child.
i. An employee may receive up to an additional 4 weeks if complications pertaining to the birthing parent’s health occur and are documented on a medical certification form.

ii. Employees are eligible for job protection through FAMLI after 180 days of employment.

iii. If FAMLI is utilized for a different condition in the same year, the amount allocated for the purposes of parental leave is reduced accordingly.

iv. The university shall inform all employees who are covered by FAMLI of their FAMLI rights regarding leave for pregnancy or for the birth, adoption, foster care placement, or guardianship of a child, and shall administer FAMLI leave in accordance with CU’s FAMLI Plan and university policies.

3. Family Medical Leave Act (FMLA) for Parental Leave

The FMLA is a federal law that guarantees certain workers 12 weeks per year of unpaid leave to attend to certain family and medical needs, including a child’s birth, adoption, foster care placement, or guardianship of a child.

i. If FMLA is utilized for a different condition in the same year, the amount allocated for the purposes of parental leave is reduced accordingly.

ii. The university shall inform all employees who are covered by the FMLA of their FMLA rights regarding leave for pregnancy or for the birth, adoption, foster care placement, or guardianship of a child, and shall administer FMLA leave in accordance with federal law.

4. Alternative Leave for Birth, Adoption, Foster Care Placement, or Guardianship of a Child

Any faculty or staff member who does not wish to take the standard leave described in section II.A may negotiate an alternative leave arrangement with their supervisor or primary unit chair. For example: using the six-month unpaid parental leave intermittently, alternative work schedules, differentiated workloads, banked courses, etc.

The decision whether to grant such a negotiated leave arrangement shall be dictated by the needs of the unit, at the discretion of the supervisor or unit chair and in consultation with the human resources office to ensure that the decision is consistent with the FMLA and FAMLI. Negotiated leave arrangements must be in writing and, in the case of a staff member, signed by the staff member and supervisor; or, in the case of a faculty member, by the faculty member, chair, and dean.

C. Tenure Probationary Period for Tenure-Track Faculty

Consistent with Regent Policy 5.D.1: Tenure Probationary Period and section III.A of APS 1022 - Standards, Processes and Procedures for Reappointment, Tenure, Promotion, and Post-Tenure Review, leave taken pursuant to this parental leave policy, including a negotiated alternative leave, does not count as part of the tenure probationary period. Parental leave results in a "stop" on the tenure clock; such "stops" must be taken in one-year increments. However, a faculty member may irrevocably elect, no later than six months following their return to full-time service, to have the leave time count as part of the tenure probationary period. Such an election shall be made in writing and must be approved by the dean and the chancellor.

A faculty member who has experienced the birth, adoption, foster care placement, or guardianship of a child, but who does not take parental leave, may also irrevocably elect to stop the tenure clock for one year, provided the election is made in writing within six months of the child’s birth, adoption, foster care placement, or guardianship of a child.

Absent extraordinary circumstances, a maximum of two "stops" on the tenure clock for parental leave is allowed under this policy.

D. Simultaneous Leave

APS 5062-LEAVE

Section 10: Military Leave

Applies to: University staff and faculty on 12-month appointments.

SECTION 10 – MILITARY LEAVE

II. POLICY STATEMENT

A. Reservist or National Guard

Use of military leave shall be consistent with state and federal laws. Upon presentation of proper military orders, university staff or faculty on a 12-month appointment who is a reservist or member of the National Guard with the United States Military is granted up to the equivalent of three weeks 21 calendar days of a regular work schedule of paid leave (prorated for current appointment percent of time) per fiscal year with pay to attend training and/or active-duty service ordered. This leave is not charged to vacation leave.

If military service continues beyond 21 calendar days, the equivalent of three weeks of a regular work schedule, the employee may utilize and exhaust their vacation leave. Once the employee exhausts vacation leave or chooses not to utilize vacation time, the employee will be placed on military leave without pay for any remaining period of required military service. An employee on military leave continues to accrue vacation and sick leave.

B. Active Duty

An appointing authority department head may authorize pay equal to the difference between the employee’s university monthly pay and the sum of the monthly military pay and allowances for an employee called to active military duty. Such differential pay shall not exceed 90 calendar days and applies after exhaustion of the 21 calendar-day paid military leave equivalent of three weeks of a regular work schedule. The employee must furnish a copy of the call-to-duty order and proof of military pay and allowances. This differential pay does not apply to regular military obligations such as the annual encampment and training.

University staff or faculty on a 12-month appointment who voluntarily enters military service are granted military leave without pay until the end of the initial period of service, plus any period of additional service imposed by law. If the employee fails to return to the university after this period or voluntarily extends military service beyond the initial period, the employee is considered to have resigned.
