I. **INTRODUCTION**

This Administrative Policy Statement provides guidance for making acting or interim appointments to non-faculty, university staff positions, department chairs and associate and assistant deans. For the purposes of this policy, the terms "acting" or "interim" are used interchangeably. This APS does not apply to acting or interim appointments for officer positions that report directly to the Board of Regents.

II. **POLICY STATEMENT**

A. An acting or interim appointment may be made to an Administrative Position on a temporary basis if it is determined by the position's appointing authority to be in the best interests of the university. Usually, standard appointments to vacant positions should be made as soon as possible given the circumstances of the vacancy and in the best interests of the university.

B. All acting or interim appointments to Administrative Positions must be approved in accordance with Regent Policy 2.K.

C. A letter of offer or addendum is required to appoint an employee to an acting or interim appointment, that includes the following terms and conditions:
1. A statement regarding the duration of the acting or interim appointment, and explanation that extensions of
time-specific acting or interim appointments must be approved as personnel matters pursuant to Regent
Policy 2.K.

2. Ordinarily, acting or interim appointments should not exceed a period greater than one year. Not exceed six
months. However, acting or interim appointments may continue beyond a one-year period, subject to
approval as a personnel matter pursuant to Regent Policy 2.K.

3. As determined by the Appointing Authority, a statement regarding the position the prospective appointee
already occupies, in the form of one of the following options:

   a. The Appointing authority may allow the prospective appointee to remain in the position s/he already
      occupies, and assign the additional duties and responsibilities of the Administrative Position on an
      acting or interim basis;

   b. As an inducement for the prospective appointee to accept the acting or interim appointment, the
      Appointing Authority may agree to hold open the position already occupied by the prospective
      appointee, or to fill the position already occupied by the prospective appointee on a temporary basis,
      for the duration of the acting or interim appointment;

   c. The Appointing Authority may decide that the position already occupied by the prospective
      appointee shall remain subject to administrative discretion as exercised in the normal course of
      business.

4. A statement regarding the Appointing Authority's determination of a reasonable and appropriate salary to
be paid to the prospective appointee while serving in the acting or interim capacity. Such determination
shall be subject to the regular salary approval process, pursuant to Regent Policy 2.K and Regent Policy
11.C.

5. A statement regarding terms and conditions for annual and sick leave accrual, and benefits eligibility for
the period of the interim appointment; or, the terms and conditions of such benefits that depart from those
of a regular university staff appointment (if any), subject to advance, written approval of the respective
campus or system administration human resources office.

6. Except as otherwise provided in a term employment contract as approved by the Board of Regents, the
following statements regarding at-will employment; controlling terms and conditions, and ethical
standards, as follows:

   a. This is an at-will appointment and is subject to all the rules and policies of the university. Your
      employment is subject to termination by either you or the university at any time without notice, and
      with or without cause. Except as provided by applicable law, no compensation shall be owed or paid
to you upon or after the termination of your employment unless it was earned prior to termination.

   b. The terms and conditions of this acting or interim appointment as stated in this letter of offer
      supersede any conflicting provisions that may be contained in employee handbooks, but may not
      supersede Regent Laws or Policies or state law. However, the terms and conditions of this acting or
      interim appointment are subject to any changes to the university's employment policies that affect all
      employees of the university staff class, as applicable.

   c. You (the appointee) agree to uphold ethical standards appropriate to your position, including, but not
      limited to, complying with all applicable laws, rules, regulations, and policies, and reporting
      suspected or known noncompliance as required by Regent and University policies.

7. If the prospective appointee is a certified employee of the state personnel system, the letter of offer shall
include a statement providing for a leave without pay from the classified position that the prospective
appointee already occupies, for the duration of the initial period of the acting or interim appointment. Such
statement shall also provide that upon termination of the initial period of the acting or interim appointment, the appointee shall be reinstated to her/his former classified position, without loss of any rights or benefits accruing to that position in her/his absence, and with restoration of all accrued unused leave remaining at the time of acceptance of the acting or interim appointment. In the event the appointee's classified position no longer exists, layoff procedures shall apply.

D. If the appointee is selected, through search procedures, for the standard appointment to the Administrative Position in which the appointee serves on an acting or interim basis, the standard appointment to the Administrative Position and salary will be treated as personnel matters subject to approval pursuant to Regent Policy 2.K.

III. INTERPRETATION

Subject to the President's authority to interpret university policies, the Office of the Senior Associate Vice President and Chief Human Resource Officer shall provide interpretive guidance for this policy.
