Using Punch-out Catalogs for Shopping in CU Marketplace

#### In This Guide

This guide discusses the punch-out catalog shopping process. Topics covered are:

- ✓ Punch-out catalog definition
- Procedure for punch-out catalog shopping
- ✓ Punch-out catalog shopping process cycles
- ✓ Procedure to pay invoices (receiving)

## What does "punch-out catalog" mean?

Catalog shopping can be accomplished using hosted or punch-out catalogs – in other words, where CU-specific items and prices are offered by CU-contracted suppliers. Punch-out catalogs are maintained on the suppliers' CU-custom websites and accessed from CU Marketplace.

The punch-out catalog shopping experience is different from supplier to supplier. Punch-out catalogs are created and maintained by each supplier, so the exact steps of how to search, shop and add items to your shopping cart will vary. (This guide illustrates Staples' punch-out catalog.)

## Sole Source Purchases

For purchases over \$5,000 where only one supplier can provide the goods or services being requested, instead use the Sole Source Justification form. Refer to the Step-by-Step Guide <u>Creating Sole</u> <u>Source Procurements in CU Marketplace</u> for further guidance.

Do online receiving to authorize invoice to pay.

# Punch-out Catalog Shopping Procedure

Begin by accessing CU Marketplace via <u>your campus portal</u>. Locate your **CU Resources** section and, under the **Business Applications** area, select the **CU Marketplace** link.

Step #1: Use a punch-out catalog to shop within CU Marketplace

- 1. From the **CU Contracts** section of the CU Marketplace home page, select a supplier by clicking on the supplier's logo or name.
- 2. A pop-up **Punch-out** link will appear; click the link.

Do you see a pop-up search box instead of a Punch-out link? If so, the supplier offers a hosted catalog instead of a punch-out one. Refer to the Step-by-Step Guide Using Hosted Catalogs for Shopping in CU Marketplace for further guidance.

- Search for the item using the punch-out catalog's functionality. (This guide shows a search for the keyword "paper.")
- Locate the appropriate item, enter the **Quantity** and add it to your cart.
- 5. Continue to shop and add items to your shopping cart, if needed.

Visit the <u>Punch-out and Hosted Catalog Guides</u> for supplier-specific ordering information.

- 9. We recommend that you enter a unique shopping cart **Name** to easily identify or
  - search for your shopping cart. If you do, click the **Update** button to save your shopping cart's new name.

## Step #2: Finalize shopping cart

- 1. Click the Add Speedtype/Shipping/etc. button located in the upper right corner.
- 2. Navigation tabs appear at the top of the page and the error icon *highlights* where your attention is needed. You can click on the tab to navigate to the section and provide information.

An error message also displays next to the field missing required information.

#### Step #3: Submit shopping cart as a requisition

(You must have Requestor access in order to perform this step.)

- 1. Click the **Submit Order** button located in the upper right corner.
- 2. A congratulatory message will appear, along with a summary of your requisition.

CU Marketplace will send an email notification to the Approver(s).

#### Step #4: Receive appropriate approvals, if needed

After the Requestor submits your shopping cart as a requisition:

- For requisitions \$5,000 or less CU Marketplace converts your requisition into a PO and communicates your PO to the supplier to place your order.
- For requisitions over \$5,000 CU Marketplace routes your requisition for financial approval. Financial approval is given by an individual with a fiscal role on the SpeedType (except Officer) who is also a CU Marketplace Approver. After financial approval is obtained, CU Marketplace routes your requisition for PSC approval. Once approved by the PSC, your requisition will convert into a PO. The Requestor will receive an email notification from CU Marketplace. Your PO is communicated to the supplier to place your order.

## **PO Payment Procedure**

First, let's begin by reviewing the payment cycle illustrated on page 1:

PO is communicated to the supplier.

Supplier submits

Do online receiving to authorize invoice to pay.

Once your order is placed with a supplier, referencing your PO number, the supplier must submit an invoice to receive payment.

If the PO total amount is over \$5,000, online receiving is required to authorize each invoice to pay – regardless of the dollar amount of the individual invoice.

If you receive the invoice prior to the Procurement Service Center (PSC), email the invoice to <u>APInvoice@cu.edu</u>.

An email notification is sent to the Requestor and any approvers once the invoice is entered as a voucher into CU Marketplace. You can then review the voucher online. The Requestor (or Receiver) should complete online receiving.

#### Do online receiving to authorize invoice(s) to pay:

- Begin by accessing CU Marketplace via <u>your campus portal</u>. Locate your CU Resources section and, under the Business Applications area, select the CU Marketplace link.
- 2. Locate your PO using one of the following methods:

#### Method 1: PO/Voucher # known

If you know the PO or voucher #, use the Quick Search located in the upper right corner of your screen.

- If a line is not part of this receipt, remove it by clicking the **Remove Line** button.
- 6. Click the **Complete** button located in the lower right corner of the page.
- 7. A confirmation page will appear noting the receipt and PO numbers.

In some cases, a supplier might send multiple shipments to fulfill one PO. For example, an item could be on backorder, or a large order might be shipped in multiple boxes which could be separated during shipping. Because of this, it is possible to perform receiving more than once on a given PO.
