HIRING PROPOSAL STEP-BY-STEP GUIDE

INTRODUCTION

Welcome to Jobs at CU, the University of Colorado's online position description, employment application and onboarding new employees system. Please use this guide in conjunction with the DL Glossary.

You will use this system to:

- Create, modify and approve positions
- Advertise recruitments online
- Review applicants to your postings
- Allow search committee members to review and rank applications
- Communicate applicant statuses to Hiring Authorities and Campus HR Users
- Hire new employees from applicants
- Provide new employees information to begin their employment
