

**Faculty Council
Artificial Intelligence Committee
Thursday, September 24th, 2026
Zoom**

MINUTES

Approval of Minutes

The committee approved the September meeting minutes.

Chair Updates

Chair shared that Scott Munson and Mike Lightner will attend the committee's next meeting on October 8th.

Chair also reported that she has requested assistance from CU Legal in interpreting the new Automated Decision Making Technology statute and its potential relevance to the committee's work.

Committee members should expect to review a draft of the updated Faculty Council AI website prior to the next meeting.

Campus Updates

Representatives from each campus provided updates regarding AI-related committee work and activities on their respective campuses.

AI Guidance Documents

The committee continued reviewing and revising the AI guidance documents currently under development.

APS 6012

The committee discussed the status of APS 6012 and agreed that the Faculty Council AI website should acknowledge that EPUS has not yet endorsed the policy. The committee further agreed that its ongoing work should not be interpreted as an endorsement of APS 6012.

Next Meeting: Thursday, October 8, 2026, 10:30–11:45 a.m. via Zoom.
