QUESTIONS
We will ask our leadership team to join the cohorts at their table for conversation. Attached are questions for your consideration.

Round One

• What are the most important decisions you make as a leader of your organization?
• How do you foster creative and innovative thinking within your organization?
• How do you incorporate inclusive leadership practices into your everyday tasks as well as strategic planning efforts within your organization?
• How are ideas shared and implemented within your organization?

Round Two

• What are the critical competencies and skills needed for your role in University?
• For people aspiring to senior leadership positions in the University, how might you recommend they prepare themselves?
• What are the most important skills and abilities that leaders need today?
• What skills and abilities seem to be most lacking in leaders today?

Round Three

• What do you see as the critical changes higher education will need to make?
• What are the risks of not changing?
• What is impossible to do today that if it were possible would make the biggest difference in our future?
• What new conversations could make the most difference to the future of the University?
